Subject: letter supporting the Endangered Species Act
To: Derek Goldman <dgoldman@endangered.org>

Dear Montana member groups and allied organizations,

We are anticipating a bill to significantly weaken the Endangered Species Act to come out any week now. **Members of Congress need to see that the Endangered Species Act has overwhelming support from our conservation community.** (In fact, our champions on the Hill have explicitly told us a letter with a large number of sign-ons would be incredibly helpful.) So, please sign onto [this letter of support](#) for the Endangered Species Act.

Our goal is 300 organizations, and currently, we are at about 150. Please sign onto this letter by **COB Friday 6/23 to stop the gutting of the Endangered Species Act**, and please share this letter widely with all of your networked groups as well!

To sign on, enter your information here: <http://www.endangered.org/organizational-support-for-the-endangered-species-act/>

Thank you! –Derek
